In the present case the distance of the several villages from Tarikere town ranges from 1½ to 4 miles, vide margin of the Rev. Comr's letter. Villages nos 4 to 9 are less than 2 miles distant from Tarikere & it is for orders if only these villages are to be grouped. No 11 is 2 miles distant.

for 9/1	~~this~~ 9. From the Vernacular records, it is found that it is the Patels of the different villages that have consented to the inclusion of their villages in the jurisdiction of the village. Whether their consent may be taken as consent of the inhabitants of the villages is for consideration. 6 villages are within two miles of Tarikere & the others are between 2 & 4 miles from the place. Subd for orders whether a village limit may be sanctioned for Tarikere & if so, the villages that may be grouped.

SIR,

With reference to your letter No.P.6293/Cts. dated 8th May 1925 requesting me to report on the desirability of establishing a Village Munsiff's Court at Tarikere, I have the honour to state that the Deputy Commissioner, Kadur District, has reported in his letter No.J.C.392/24-25 dated 3rd October 1925 that it is ascertained on inquiries made by the Amildar Tarikere Taluk, that the establishment of a Village Munsiffs Court at Tarikere having Jurisdiction over the marginally noted 13 villages is a real necessity in view of the fact that parties have to go a long distance of 24 miles to the Munsiff's Court at Narasimharajapura. He has also forwarded a list of 30 persons who are eligible to sit on the Court Bench. But, whether the Patels and inhabitants of the thirteen villages proposed to be brought under the Jurisdiction of the Village Court in case it is sanctioned, are agreeable to the proposed inclusion has not been reported. The Deputy Commissioner is being requested to report on this point within a month and on receipt of ~~his reply Government will be addressed again.~~
